25X1A 1. In mid-December 1950, the Stralsund-Parow (N 55/P 44) airfield was occupied by approximately 5,000 naval police. Three temporary buildings were recently constructed at the field, in addition to the buildings already there. Reconstruction and clean-up work on the landing field was being done by 150 air police.

25X1A 2. In late December, a woman from Stralsund said that the naval police from Parow were to be transferred to the Marine Kaserne in Stralsund-Schweden-
schanze. *** Parow was allegedly to be occupied by the VP air force.
